** Fields marked in bold with a star are required.*

Name*	Max. 15 letters/numbers, no blanks allowed in the name
Sequence*	Automatic conversion to upper case letters. Avoid blanks if you copy/paste.
Basetype*	Mandatory. Select from menu
Synthesis scale*	Mandatory. Select from menu
5' modification	Optional. Select from menu
3' modification	Optional. Select from menu
Intern. Mod. 1	Optional. Select from menu Indicate pos. in sequence (AA1AA)
Intern.Mod.2	Optional. Select from menu Indicate pos. in sequence (AA2AA)
Purification*	Mandatory. If no selection is made, RP-Cartridge-Gold will be used
Additional QC	Optional. Select from menu
Format*	Mandatory. If no selection is made, Dried will be used

If several oligos have been entered, it is still possible to edit each of them. Just click at the grey-coloured sequence above or below the table and the selections will fold out.

Proceed to 'Add delivery details' when you have finished editing.

Please note that it is important to select **country** to ensure that your orders are directed to the correct company :

BioNordika (Sweden) AB: Orders from Sweden, Finland, Estonia, Latvia, Lithuania and Italy

BioNordika (Norway) AS: Orders from Norway and Iceland

BioNordika(Denmark) A/S: Orders from Denmark
